SUMMER STRINGS CAMP JULY 6-10, 2020

Our camp was developed to provide students an opportunity to learn from accomplished local musicians and musicians from outside Southwest Florida. Through focused classes, students gain motivation and build on prior knowledge.

Our Summer Strings Camp is open to violin, viola and cello students ages 4 and older. Beginners and advanced students are welcome, as well as those who study privately or with an organized school or orchestra program.

We also offer a beginner introduction class for ages 4-5.
