Jan & Feb Challenge

It was “Practice in a fun spot”. Our families had so much fun—practicing in the snow, on top of the jungle gym, on a hover board, at a construction site, in a tiki hut by the water, on top of an F150 truck, and more! Many prizes were won!

March Challenge

Practice spot 10X each day with a letter of the alphabet. Examples: March 1 “A” practice with an apple, March 2 for “B” practice on your bed, March 3 for “C” practice in your car. After practicing, color that date on your practice sheet. Complete the alphabet to pick a mini lego animal. Get your tweezers ready!
