

Gulf Coast Music School

“Where love is deep, much can be accomplished”, Shinichi Suzuki

Quotes from Shinichi Suzuki:

“If children hear fine music from the day of their birth and learn to play it, they develop sensitivity, discipline and endurance. They get a beautiful heart.”

“Knowledge is not skill. Knowledge plus ten thousand times is skill.”

“Music exists for the purpose of growing an admirable heart.”

“An unlimited amount of ability can develop when a parent and child are having fun together.”

“The heart that feels the music will feel people.”

Twinkle and Book Graduations

This year, we will have Twinkles, Books 1, 2, 3, and 4!!!!

Starting from the most advanced, each student will play a solo of their choice. After the solos, we will play the last piece of each book (Bourree–Bach, then Minuet–Boccherini, then Gavotte–Gossec) with students joining, until everyone is on stage for Twinkle Theme. We hope all of our families will attend to support our graduates!
